Southwestern High School Conservation Club and Raptor Center

October 8, 2012

Clubs Objectives

They promote environmental awareness through education in

- Raptor rehabilitation
- Trail maintenance
- Greenhouse management
- Stream analysis
- Recycling
- Envirothon competitions
- Public presentations

Raptor Rehabilitation

The members of the club work to rehabilitate injured raptors brought to them.

- Raptors that can be rehabilitated are released
- Raptors that can not be rehabilitated are used during presentations
